Certificate of Conformance

OctoChem, Inc. (Webstore)
2090 Wagner St.
Vandalia IL 62471
USA

Lot No.: VFR241008
Manufacture Date: 10/08/2024
Expiration Date: 10/08/2027
Purchase Order No.: AUSPO0069787
Specification No.: FPSP001

Product: No 1 Vary Flex Epoxy Resin Type HV, Royal Blue

Actylis hereby certifies that the above-listed product was manufactured in accordance with standardized procedures from quality-controlled raw materials and will perform as specified in Technical Specification Bulletin 001 (dated 8-8-88) if processed in accordance with instructions in said bulletin.

Parameter	Result	Specification
Color	Royal Blue	
Shelf Life: @25°C in factory sealed cans	3	yrs

Actylis further discloses that the above-listed product A) do not contain Conflict Minerals as defined in the Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and B) is in compliance with REACH EC Regulation No.: 1272/2008.

Partly-used cans should be tightly re-capped. Material should be decanted into smaller containers if prolonged storage is anticipated, to avoid moisture absorption from humid headspace in partly-empty cans.
This material and all its components are manufactured in the USA.

RoHS COMPLIANCE CERTIFICATION/MERCURY FREE STATEMENT

This is to certify that No. 1 Vary Flex Epoxy Resin, Type HV, and No. 1 Vary Flex Hardener, Type HV, which are products formulated by IsleChem, are in compliance with the provisions of Directive 2011/65/EU and Directive 2015/863/EU; Annex II: Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS).

This is to certify that No. 1 Vary Flex Epoxy Resin, Type HV, and No. 1 Vary Flex Hardener, Type HV, does not contain mercury or mercury compounds. During the manufacturing process and inspection, these products do not have contact with mercury or any of its compounds.
